

# Child Safety Awareness Month Poster Contest

In observance of each Child Safety Awareness Month, the Attorney General's Office partners with AT&T Arkansas to sponsor an annual statewide poster contest on child safety open to kindergarten through fifth grades.

By participating in this contest, students have the opportunity to win cash and other prizes while learning important safety concepts in a non-threatening way.

Winners are honored each spring in Little Rock at a special awards ceremony and child safety fair sponsored by the Office of the Attorney General.
